

# SNAP FIT & EAR CLAMPS

## Ezyklik™-P

Manufactured by HCL, the Ezyklik™-P (Plastic) is specifically designed for hose clamping applications where space is restricted. The unique design of the patent pending Ezyklik™-P ensures strong, fast and reliable clamping with a low profile design and fully corrosion resistant materials.

### Applications

- Automotive
- Vending
- Hydro Massage
- White Goods
- Irrigation
- General Industry
- Pharmaceutical

### Materials – see section 10.3

#### Standard

- Heat/UV Stabilised ROHS compliant Nylon 6.6.

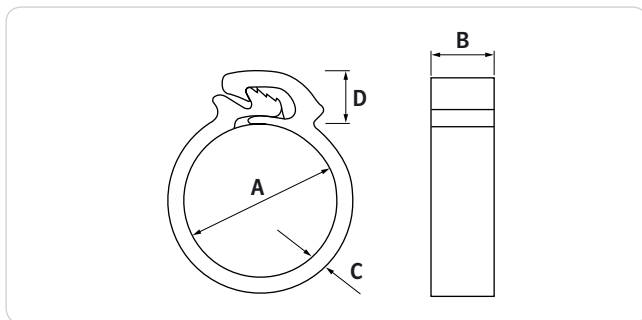

#### On Request

- Polypropylene
