Double Grip Plastic Hose Clamp – Herbie Clip®

Manufactured by HCL, the Herbie Clip® is the original double grip plastic hose clamp. It is a quick and easy to install nylon hose clamp with exceptional strength arising from its unique double row of interlocking toothed jaws. The double row of teeth offers over twice the clamping force achieved by similar products with only a single row of teeth.

Applications

- Agricultural
- Automotive
- Hydro Massage
- Irrigation
- Pharmaceutical
- Vending
- White Goods
- General Industry

Materials – see section 10.3

Standard

- Heat/UV Stabilised ROHS compliant Nylon 6.6.

On Request

- Polypropylene
